Head of the Institute	Message
 <p data-bbox="228 751 444 821">Dr. Anand Deshpande Principal & Director, AITM</p>	<p data-bbox="570 344 1482 930">An Institute is assessed on the basis of the Academic ambience and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our Students.</p>
Head of the Department	Message
 <p data-bbox="212 1566 469 1640">Prof. Kantesh D C HOD</p>	<p data-bbox="570 1024 1482 1703">The Department of Electrical & Electronics Engineering was established in the year 2009 and offers four-year degree course leading to Bachelor degree in Electrical & Electronics Engineering affiliated to Visveswaraya Technological University, Belgaum. The Department aims at producing well qualified Engineers for the nation and also across the globe. The Department has eminent faculty with wide range of experience in research, teaching, training and field experience which will help the students to gain practical knowledge which is very essential for their future endeavours. The department has excellent industry institute interaction and provides services like consultancy, design and testing to the industries. Since the commencement of the program, the department has made sincere efforts in the development of students through training and industrial visits. Also, the Department has formed Student Association (AEEES) to promote the student's talent and department library for student reference.</p>

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life-long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision:

To illuminate the world by empowering our students with domain knowledge and relevant skills to be globally competent.

Mission:

- M1: Produce qualified, motivated and well-rounded graduates possessing fundamental knowledge of electrical and electronics engineering who can provide solutions and services to the community at large.
- M2: Provide comprehensive technical knowledge to students through teaching learning to cope up with challenges in electrical engineering.
- M3: Facilitate effective interactions among faculty with student and practice high standards of professional ethics transparency and accountability.

“Inauguration of Association of Electrical and Electronics Engineering”

Department of Electrical and Electronics Engineering,
AITM.

The inaugural ceremony of the Association of Electrical and Electronics Engineering was held on 18th March 2023. Mr. Chetan Bhaskar Dupatane Business Development Manager, Siddhivinayak Transformer Private Limited Belagavi was present as a chief guest on this occasion, Dr Anand Deshpande Principal and Director of AITM, Prof. AnilKumar Korishetti Head of the department EEE, Prof. Rajendra Ghivari Association Coordinator and Miss Akshata Dange student coordinator presided the function. Department of EEE also Felicited Dr. B.N. Patil Faculty for the award of Doctorate he holds.

“VENCER 2K23”

VENCER 2k23 A Two Days National Level Techno – Cultural Fest was organized at Angadi Institute of Technology and Management Belagavi on 11th and 12th MAY 2023. Under this fest Many events has been conducted at Department level & College level for inter college students

“11th Graduation Day”

11th Graduation Day was organized on 19th May 2023 at Angadi Institute of Technology and Management Belagavi.

“Talk on “Demystifying Engineering Vision”

Department of Electrical & Electronics Engineering at Angadi Institute of Technology and Management- AITM, Belagavi in association with the Department of Training and Placement hosted a comprehensive talk on “Demystifying Engineering Vision” on 5th December 2023.

The Talk was delivered by our esteemed faculty Prof. Peer Mohammad Kolakar, Assistant Professor, Department of EEE, to the final-year students from various streams.

Prof. Peer with his extensive experience and qualifications, provided valuable insights into career opportunities related to GATE exams and employment in the government sector for students

Prof. Peer explained the significance of GATE scores, its relevance to postgraduate admissions, and its importance for securing jobs in the public and private sectors. Also, the diverse range of career opportunities and benefits available in the government sector for engineering graduates including job security, attractive salary.

On behalf of EEE department we would like to appreciate and thank Prof. Peer Mohammad Kolakar, for sharing his knowledge and experience. The Event was coordinated by Prof. Kantesh D C, HoD of EEE Department and Association Coordinator Prof. Rajendra Ghivari. On this occasion we the department of Electrical and Electronics Engineering would like to express our sincere thanks to Dr. Spoorthi R. Patil Director of SAEF, Shri Raju Joshi Administrator SAEF and Dr. Anand B. Deshpande, Principal & Director, AITM.
