Department of Electrical and Electronics Engineering

Yearly E-News letter-2024-2025

Head of the Institute	Message
 <p>Dr. Anand Deshpande Principal & Director, AITM</p>	<p>An Institute is assessed on the basis of the Academic ambiance and outcome of the system in terms of performance and achievements of the students and staff in teaching-learning, research, innovation, Placements, and results. AITM has been known for its Academic credentials coupled with holistic growth in all directions. The new generation of competent minds must imbibe knowledge and practically they should comprehend the art of balancing brilliant technical, managerial communication, and interpersonal skills, nest. The Institute has achieved a series of milestones with the help of brilliant students, dedicated staff, and encouraging Management. We promise a wonderful experience of rich Academic and Excellent facilities coupled with professional practices and blended with an affectionate concern for our students.</p>
Head of the Department	Message
 <p>Prof. Kantesh D C HOD EEE</p>	<p>The Department of Electrical & Electronics Engineering was established in the year 2009 and offers four-year degree course leading to Bachelor degree in Electrical & Electronics Engineering affiliated to Visveswaraya Technological University, Belgaum. The Department aims at producing well qualified Engineers for the nation and also across the globe. The Department has eminent faculty with wide range of experience in research, teaching, training and field experience which will help the students to gain practical knowledge which is very essential for their future endeavours. The department has excellent industry institute interaction and provides services like consultancy, design and testing to the industries. Since the commencement of the program, the department has made sincere efforts in the development of students through training and industrial visits. Also, the Department has formed Student Association (AEEES) to promote the student's talent and department library for student reference.</p>

Institute Vision and Mission

Vision:

To become a premier institute committed to academic excellence and global competence for the holistic development of students.

Mission:

- M1: Develop competent human resources, adopt outcome-based education (OBE) and implement cognitive assessment of students.
- M2: Inculcate the traits of global competencies (such as domain expertise, Accountability, ethics, problem solving ability, communication skills, leadership Qualities and life- long learning) amongst the students.
- M3: Nurture and train our students to have domain knowledge, develop the qualities of global professionals and to have social consciousness for holistic development.

Department Vision and Mission

Vision:

To illuminate the world by empowering our students with domain knowledge and relevant skills to be globally competent.

Mission:

- M1: Create an environment that imparts knowledge in Electrical & Electronics Engineering through effective pedagogical approaches.
- M2: Inculcate both curriculum-based and beyond-curriculum practical skills, problem-solving abilities and innovative thinking.
- M3: Instil professional practices, ethical values, teamwork and leadership skills to contribute effectively to the global engineering community.

Inauguration of Association of Electrical & Electronics Engineering

The Inaugural function of the “Association of Electrical and Electronics Engineering Students – PARICHAYA 2k24” and the Fresher’s Welcome were organized by the Department of Electrical and Electronics Engineering at Angadi Institute of Technology and Management (AITM) Belagavi on Saturday, October 26, 2024.

Er. Manohar P Sutar Executive Engineer O&M Urban Division HESCOM Belagavi was the chief guest for the function, Dr.Kiran Potadar, HoD of Mathematics Department, Prof. Kantesh D C, HoD of EEE, Prof. Rajendra Ghivari, Association coordinator, Mr. Aditya K & Ms. Sunita. S students of AEEES coordinators presided over the function. Miss Deepati Chougale and group began the ceremony with a graceful welcome song with a welcome speech by Prof.Rajendra Ghivari.

Er. Manohar P Sutar motivated the students about the the field and insisted to focus on current trends, challenges, and future prospects in Electrical and Electronics Engineering. Sir also encouraged students to pursue their passion and dreams in their life.

Dr. Kiran Potadar HoD of Mathematics Department delivered the Presidential Address. Sir enlightened the students about the Electrical Field and shared about the development of overcoming of all the Electrical scarcity in the new trend.
