### 1. SWOC and Perspective/Strategic plan of the department:

#### Strengths:

- The Department of EEE has qualified and dedicated faculty.
- All the laboratories are as per the curriculum and are established on par with state of art technology.
- Excellent central library including separate department library and computing, Internet facilities are available in excess of the norms stipulated.
- Mechanism is available for direct mentoring of students by faculty, interacting with students, and directing them to upgrade their skills.

#### Weakness:

- Number of volumes and journals in the department library need to be increased.
- The activities through Industry Institution Interaction Cell are to be improved.
- Soft skills and communication skills of students need to be improved.
- Student and staff are to be encouraged for paper presentation at various National/International conferences, workshops and seminars.

#### Opportunities:

- Increased demand of engineers in power sector.
- Scope for enhanced research work to be carried out in all related field of electrical engineering.
- Possibility of becoming effective and individual entrepreneurs by enjoying the benefits and encouragement given by the management.
- More employment potential in research centers and bodies like CPRI, DRDO etc.,
- Scope for the development of interdisciplinary projects useful for society.

**Challenges:**

- Global recession may hamper placement opportunities for students.
- To come out from this challenge the desired course objectives and outcomes are to be achieved satisfactorily.
- To frame and design an effective Curriculum, Teaching learning methodologies that bridges the gap between Industry and Institution.
- Development of advanced teaching & learning methodologies and evolution, personal interaction by developing smart classrooms and mechanism for effective evaluation.

**2. Best Practice(s)/innovations of the department:**

- Industrial mentorship program
- Alumni Interaction
- Industrial Visit
- Student Mentorship Program

**3. Future plans of the Department:**

- Concentrate on the placement of the students in core, IT and Electronics related companies.
- Encouraging students for the entrepreneurship.
- Take up the NBA accreditation at department level.
- Focusing on research grants.
- Electrical Vehicle Incubation center in the department

**4. Remarks of the Auditing team:**

1. In some matrices you have not submitted any information and data so please review such matrix discuss with IQAC and come to a final conclusion on those matrices.
2. Concentrate on the R&D, paper publications and alumni interaction.
3. In the above report we highlighted some points with red color and mentioned a few points in the remark column so please incorporate the same in the report.

4. Showing only two best practices in the department is not enough.

#### 5. Remarks of the IQAC:

As per the reviews and feedback from the auditing committee

- The department should focus more on proper documentation of the academic, curricular and extra-curricular activities in time.
- The department should take some new initiatives related to strengthen and improve the technical skills among the students.
- Audit Report of the department found Satisfactory.
